

## Information leaflet: Literature

- **Universitäts- und Landesbibliothek Bonn (Bonn University and State Library)**
  - [Main Library](#)
  - [Department Library Pharmaceutical Institute](#)
  - [MNL Branch Library \(Medicine/ Natural Science/Agriculture\)](#)
  - [Using the Library & Searching for literature](#)
  - [Applying for a library card](#) (Online)
  - [Bonnus](#) – the [Search Portal](#) of the University of Bonn
- **Cortellis**
  - Access to a database of the [Cortellis Regulatory Intelligence Service](#) for one year (only for students of the complete Master's programme)
  - Access to current information from the field of 'Drug Regulatory Affairs'
  - from October – September, no lateral entry possible
  - Organisation via the team of the programme (Dr. Jasmin Fahnenstich, mdra-fahnenstich@uni-bonn.de) in cooperation with [Clarivate™](#)
- **Quotation**
  - Information leaflets see website [www.dgra.de](http://www.dgra.de), Downloads from A-Z:
    - 1) Information leaflet „How to cite correctly“ (lecture in module 1)
    - 2) Information leaflet „Juristisch korrekt zitieren“ (German)
    - 3) Guideline for the preparation of a Master's thesis (German. English version coming soon)
- **Reference Management**
  - Scientific work and above all scientific writing is greatly facilitated by the use of reference management programmes.
  - The programmes support the management of literature and sources (collection/import/storage/citation style selection/creation of bibliography/etc.).
  - Informationen, especially on available programmes such as EndNote, Citavi, Zotero etc. can be found at: [Reference Management](#), Bonn University and State Library.
