

## Information Leaflet: Online services of the University of Bonn

- **Uni-ID**
  - The [Uni-ID](#) is the access to IT services of the university, such as e-mail, WiFi, etc. and can be found in the “Studienservice” for self-retrieval after enrollment.
  - Important step: Online activation of the Uni-ID via [GOSA](#).
  
- **Uni-e-mail**
  - If you want to change the alias of your [university e-mail](#) address:
    - 1) Go to [gosa.gosa.uni-bonn.de](https://gosa.gosa.uni-bonn.de) and fill in a new ‘mail-alias 1’, e.g. first name.surname@uni-bonn.de
    - 2) Got to [mail.uni-bonn.de](https://mail.uni-bonn.de) settings. Identities: Enter and select the new alias.
  
- **Internet and Network access**
  - All holders of an Uni ID can use both the VPN and WiFi – eduroam service:
    - 1) [VPN – Bonnet](#)
    - 2) [WiFi - eduroam](#)
  - Eduroam is also available in our venue in the Uniclub.
  - Descriptions and instructions for [installation and use](#) provided by the University Computer Centre (“HRZ – Hochschulrechenzentrum”).
  - Support and consultation via **IT-Helpdesk of the University Computer Centre:**
    - [IT-Helpdesk](#)
    - +49 (0)228 73 2751
    - [info-hrz@uni-bonn.de](mailto:info-hrz@uni-bonn.de)
